Education is not the learning of facts
but training of the mind to think.

Albert Einstein

a body without a soul.

Marcus Tullius Cicero

Education's purpose is to replace an
empty mind with an open one.

Malcolm Forbes

Books open your mind, broaden
your mind, and strengthen you
as nothing else can.

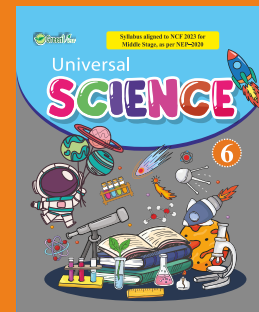

William Feather

Create it.

George Bernard Shaw

“Intelligence plus character —
that is the goal of true education.”

MARTIN LUTHER KING JR.
